Transformed Into His Image: Hidden Steps on the Journey to Christlikeness

Now an E-Book

If you’ve been looking for the e-book version of my second book, *Transformed Into His Image: Hidden Steps on the Journey to Christlikeness*, it’s release was delayed but should be available anywhere books are sold in about a week if not already (-e.g., Amazon, B&N, iBooks, Baker & Taylor, etc.). We took advantage of the delay and had a beautiful new cover designed (below). If you prefer a physical copy of the book, (with the old cover), order it now because they are almost gone. (See reverse side to order). We have no plans to reprint physical copies of the book. It is \$10 for the physical book and \$8.99 for the e-book. Once again, if you want to go deeply into the Christian life and the pursuit of God, get this book in your library.
